

THANKS FOR USING OUR CHAIRS, IN ORDER TO LET YOU ASSEMBLE THE CHAIR EASILY, PLEASE READ INSTRUCTIONS CAREFULLY.

MD-014 (Version 1)

Step 1

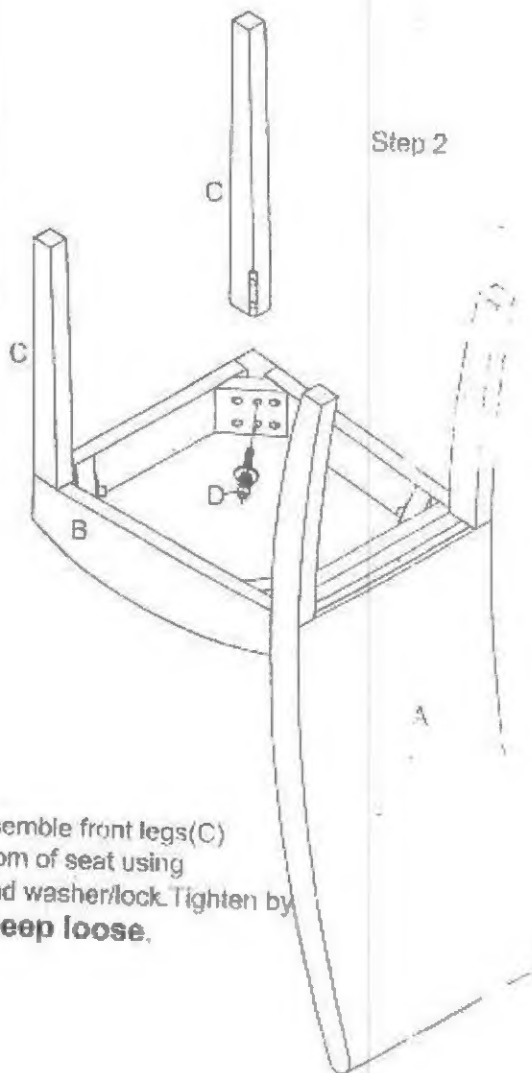

Step 1: Assemble seat (B) to back (A).

A: First use the bolt (D) and washer/lock to attach the seat to the back through the middle hole. Tighten by hand, but keep loose.

B: Then assemble the seat and back using bolts (E) and washer/lock, tightening by hand but **keeping loose**.

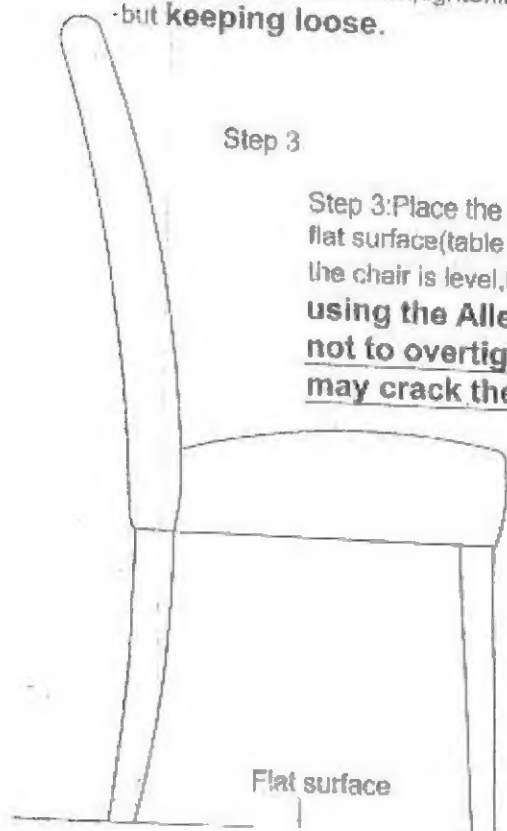

Step 2

Step 2: Assemble front legs (C) to the bottom of seat using bolts (D) and washer/lock. Tighten by hand, but **keep loose**.

Step 3

Step 3: Place the chair in loose condition on flat surface (table top or floor), making sure the chair is level, then **tighten all the bolts using the Allen Key (H). Be careful not to overtighten, otherwise you may crack the legs!**
